Hi Jade,

Just to confirm that both [REDACTED] (S40) and I are looking forward to meeting with Sarah on 15th February at 10.00.

I don't think that we've really discussed with you what we would like to cover in discussions with Sarah, so I thought I would set this out and hope that this constitutes a suitable agenda? –

- Overview/introduction to YTL in the UK and Filton, and in particular ensuring that we are up to date with your key company contacts etc., and current YTL engagement with other teams in DIT and other govt. depts.
- YTL's development/investment plans at Filton
- YTL's further development/investment plans in the UK
- Introduction to the work of DIT's Capital Investment team
- Consider whether any of DIT CI's pipeline of investable projects might be of interest to YTL
- Next steps etc.

Would you ask Sarah if she is comfortable with this or wishes to propose changes/additions etc? Thank you.

Kind regards
